The General rule for the award of an A\* at A-Level is an A grade at A-Level and 90% of the maximum uniform mark on the aggregate of the A2 units

X = No Result, indicates that a result is not being issued because of an absence from all parts of the examination or because of a decision not to issue a result for any other reason.

Q = Pending, indicates that no result has been issued as the marks for one or more components of the examination are not available.

# = Indicates that the candidate was absent from part of the examination and was awarded zero marks for this part/unit. The UMS mark/grade was awarded on the components actually taken.
