Dear Parents/Carers

French Revision Guide and Workbook

The MFL Department is delighted that your son/daughter has opted to study French for GCSE. We are pleased to offer you the opportunity to purchase the AQA French Revision Guide and French Revision Workbook for your son/daughter to encourage individual study throughout year 11 and to help prepare for the exams next summer.

Although these books are normally sold for £5.99 each, the publishers have offered us a special schools' price of £2.50 each including postage and packing. Therefore, we are able to offer you both books for **£5** in total. This offer is available for a limited period only and we will not be making another order after this one.

I would urge you to take the chance to purchase these books as I believe that they will be most beneficial in helping students learn vocabulary, study grammar and revise topic areas. The Workbook complements the Revision Guide and allows the students to practise what they have been studying and then to check their answers at the back of the book.

If you would like to purchase these books for your son/daughter, please send your payment of £5 via **Parent Pay**. Please also complete the slip at the bottom of the letter and return it to the Finance Office by **Thursday 6 July** so that the order can be sent off promptly.

Yours sincerely
