All applications, including mid-year applications, must be made in accordance with the co-ordinated admission scheme operated by the child's home Local Authority. For children resident in Essex this is published by Essex County Council in the Secondary Education in Essex booklet. Applications for admission to Year 7 in September 2022 must be received by the National Closing Date – 31 October 2021.

For mid-year admissions, please visit the admissions section on our website.

Main criteria to be used in the event of over-subscription

(i) Looked after children.

'A looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of the local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children's Act 1989) or (c) Previously Looked after Children (PLAC) and Children Previously Looked after from outside England (IPLAC).

(iii) Children living outside the priority admission area with siblings currently at the school with a reasonable expectation that these siblings will still be attending at time of admission.

Siblings are defined as "A sibling is a child who has a brother, sister, step-brother or step-sister living with one or both parents in common, living in the same family unit in the same family household and address". The sibling rule does not apply to siblings who are currently in the Sixth Form and did not attend the main school in Years 7-11.

(v) Children resident within the school's priority admission area which includes parts of Brentwood and Hutton together with Ingrave, Herongate and Five Parishes (as defined by OS map) of Blackmore, Doddinghurst, Kelvedon Hatch, Navestock and Stondon Massey. (The priority area is shown on maps which may be inspected at the school.) The term resident is defined as children living with parents or legal guardians in the area at the time of application and for whom there is a reasonable expectation that they will still be living there at the time of admission. Proof of residence will be required e.g. exchange of contract,

(ix) Other children

In all cases of over subscription in any and each of the above categories:

Places will be allocated according to the shortest distance (based on a straight line) from the child's home to school on the date that offers are made. Distances are calculated by the Local Authority as defined in the Secondary Education in Essex booklet, by use of a Geographical Information System which accurately measures the distance from the home address to the school.

Waiting lists

The Local Authority will continue to hold the waiting list until the end of the first week of term in accordance with the published co-ordinated admission scheme. The year waiting list will then be continuously held by the school together with waiting lists for Years 8-11 in accordance with the admission criteria.

In the unlikely event of two, or more, children living the same distance from the school places will be allocated by the drawing of lots by any two randomly selected members of school staff, who are not involved in the admissions process.

The waiting list is held in the order of the published admission criteria.

Late applications

Applications received after the National Closing Date will be handled in accordance with the co-ordinated admission scheme published by the child's home Local Authority. For children resident in Essex this is published in the Secondary Education in Essex booklet.

Late applicants moving into the priority admissions area who have produced the required documentary evidence (e.g. contract exchange, tenancy agreement, community charge bill, driving licence, notification of child benefit, child's NHS medical number and utility bills) of their new residential address will be dealt with in line with the agreed scheme of the Local Authority.

Parents who are refused a place for their child have the right to appeal to an Independent Appeal Panel. The Governing Body policy for parents whose appeal is not successful is that we will not consider another appeal for the same academic year unless there has been a significant and material change in circumstances of the parent, child or school relevant to a further appeal. These changes must relate to the new appeal and cannot be connected with the result of the first appeal.
