Dear Parents and Carers

Re: Uniform Supplier Increase

I write to inform you that our current uniform supplier have passed on their pricing list (see attached). Unfortunately, the prices have been subject to an increase and this will come into effect from 8 April 2023.

We apologise for this increase and appreciate this is not ideal given the current cost of living crisis, however, this does affect everyone including suppliers/services and is unfortunately unavoidable.

Please be advised we are looking at possible changes to the uniform, however, these changes will not come into effect until September 2024.

We welcome your feedback regarding the uniform and ask that you complete a short survey, which can be found by clicking the [link here](#).

If you could complete the survey and respond by Friday 28 April this would be much appreciated.

Kind regards
