Dear Parents and Carers

Re: Year 7 Autumn Term Curriculum Plans

We hope you have all settled into the rhythm of St Martin's school life. The students are doing a great job in finding their way around our large site and all students in Year 7 have made an excellent start to the year.

To aid the secondary school transition, this year we are sharing our curriculum plans with all parents, carers and students.

Every term you will receive a detailed breakdown of the term's learning plans for each individual subject. Please note that we have deliberately left off physical education (PE) for this term as the PE curriculum has been severely disrupted by the COVID 19 restrictions and is changing on a daily basis. Rest assured that the students are enjoying high quality learning experiences about healthy, active lifestyles. We are hoping that this can support you in helping and discussing topics and units of learning with your children at home. Many families will be familiar with this type of information from their primary school.

We will be inviting all parents into the school for the Year 7 curriculum meeting which will take place at the end of this month, further details will follow.

May I also wish you all a safe and enjoyable term.

Yours sincerely

Mr D N Goddard
Deputy Headteacher

Be The Best You Can Be
