Dear Parents and Carers

**Re: Performance of '9 to 5'**

The Drama and Music departments would like to invite you to the long-awaited Upper School Performance of the '9 to 5'. The show has pupils from years 10, 11, 12 and 13 involved, who have been rehearsing since October. All pupils involved have been working hard to produce a professional show with acting and singing all being of a high standard. Over 40 pupils are involved in all aspects of the show, from choreographing the dances to helping in the A/V team and performing in the live band.

The first performance is on Tuesday 8 February and repeated on Wednesday 9 and Thursday 10 of February at 7pm in the South Hall. Tickets will be available to purchase from the 31 January 2022 priced at £10.00. St Martin's pupils will be able to purchase a ticket for themselves prior to the show for £6.00. All money raised will go to the hire of costumes and the staging of future productions.

We look forward to seeing you there.

Yours sincerely

Mrs Page

Mr Harris  
**Musical Director**
