

15 October 2021

Dear Parents and Carers

Please be advised that your son or daughter's report is now available to view on the St Martin's website.

Click on the report tab, which will take you to the Insight login where you can then view the report.

This is the first of three reports during this academic year, detailing your son or daughter's progress at Key Stage 5. The progress report informs you of the projected grade, and attitude to learning.

The projected grades are based upon grades they have achieved for coursework or practical components, and performance in classwork and homework. The grades are a reliable measure of what your son or daughter could achieve in their final A-level examinations based on their overall current attainment.

I hope this report will provide material for discussion between you and your son or daughter, and their classroom teachers.

If you have any queries regarding your son or daughter's progress, please contact his or her Head of Year, Mrs J Page at jpage@st-martins.essex.sch.uk

Yours sincerely

Mr J Peacock
Assistant Headteacher

Be The Best You Can Be
