Dear Parents and Carers

Re: Year 7 Spring Term Curriculum Plans

We hope you all had a restful and enjoyable holiday. Following analysis of the Year 7 reports, it is clear that nearly all students have been working hard in school since the start of term. The year groups' attitude to learning average, across all students is 1.41 which is outstanding.

To continue to aid the secondary school transition, we continue to share our curriculum plans with all parents, carers and students.

Every term you will receive a detailed breakdown of the term's learning plans for each individual subject. We are hoping that this can support you in helping and discussing topics and units of learning with your children at home. Many families will be familiar with this type of information from their primary school.

May I take this opportunity to wish you all a safe and successful new year.

Yours sincerely

Mr D N Goddard
Deputy Headteacher
