Dear Parents and Carers

Re: Year 8 Autumn Term Curriculum Plans

We have had a hugely successful start to the term. Virtually all students have settled back into the rhythm of school life exceptionally well.

Every term you will receive a detailed breakdown of the term's learning plans for each individual subject. This initiative will hopefully support you in understanding what the students are learning in Year 8.

May I take this opportunity to thank you for your continued support and wish you all a productive and enjoyable term.

Yours sincerely
