Dear Parents and Carers

**Re: Year 9 Spring Term Curriculum Plans**

We hope you all had a restful and enjoyable holiday. Following analysis of the Year 9 reports, it is clear that nearly all students have been working hard in school since the start of term. The year groups' attitude to learning average, across all students is 1.54 which is excellent.

Every term you will continue to receive a detailed breakdown of the term's learning plans for each individual subject. We are hoping that this can support you in helping and discussing topics and units of learning with your children at home.

May I take this opportunity to wish you all a safe and successful new year.

Yours sincerely

Mr D N Goddard  
**Deputy Headteacher**
