Dear Parents and Carers

Re: Billericay and Brentwood Foodbanks Easter Collection

I am writing to inform you of the Easter drive we are hosting at St Martin's School which will take place from Monday 28 March to Friday 1 April to collect urgently needed supplies for foodbanks in our local area.

We have partnered with the Billericay and Brentwood foodbanks with the aim of bringing everyone together to help raise awareness of the challenges that are faced within the local community. We would really appreciate any donations to our foodbank collection that you are able to make; if just one item per student is donated this will make a huge difference. With your help we hope to make Easter as special as possible and ensure no-one in our local area goes hungry.

The items of need can be found for each foodbank on the following websites:

Billericay: <https://billericayfoodbank.org.uk/volunteer/>

Brentwood: <https://brentwood.foodbank.org.uk/>

If you are able to support the foodbanks, please send items into school with your child next week when it will be collected by the student leadership team during registration.

Yours sincerely

Miss A Bryant
Director of Key Stage 3
