Insight App for IOS and Android

The app will work with both Parental and Student accounts.

Go to the App Store on your device and download the Insight App (Search for 'Insight by TASC')

You will see this icon on your screen,

Open the App

You are given 2 options, to scan the QR code that can be found on the Insight landing page (<u>https://reports.st-martins.essex.sch.uk/INSIGHT/</u>) or type the address in manually.

QR Code from Insight Webpage

Password				
Remember me				
Sign in				
Recover password				

Enter your Insight user name and password that was supplied to you by St Martins School. You also have the option to check the '**remember me**' box. This will save you having to put your user ID and password in every time you use the app.

Click 'Recover password' if you don't know your password. The details will be emailed to you.

If this is the first time you have used insight, you will be prompted to change your password:

For security, your earliest	please change your password at convenience.	
New passwo	rd	
Retype pass	word	
	Ok	

You will be taken back to the log in screen. Enter the new password you have just created and press **OK**.
