Dear Parents and Carers

***Re Extra-Curricular Activities***

At St Martin's we encourage all students To Be The Best They Can Be and as part our mission statement we believe this can be achieved through Outstanding Personal Development.

To that end, I would like to signpost you to vast array of Extra-Curricular activities that we have on offer at St Martin's this year. You can find a link to our Extra-Curricular page on the website here: <https://www.st-martins.essex.sch.uk/curriculum/extra-curricular/>

Here you will find links to the activities on offer from departments, as well as additional activities like Homework Club. A list of activities is also attached with this email.

We have clubs running before, during and after school and would encourage your child to find activities that develop their interests, talents and skills. Many of the activities on offer feed into the wider school curriculum, such as School Productions (performance and backstage) or representing the school at sport.

We are grateful to the huge number of staff who give up many hours for extra-curricular activities and are proud of the large number of students that participate on a weekly basis.

We encourage all students to partake in extra-curricular activities as they develop their interests and talents beyond the curriculum.

With my very best wishes

Yours sincerely

Mrs A Day  
***Deputy Headteacher***
