Dear Parents and Carers

Re: Mandarin Taster Lessons – Enrichment Programme

I am writing to inform you of an exciting opportunity that is starting on Thursday 24 February 2022. As part of our enrichment programme in languages, we are again organising after school language taster classes in Mandarin, which will run until Thursday 12 May 2022.

All sessions are free of charge and will be led by a Mandarin teacher from China, accompanied by members of the language department. The only condition we stipulate is that students attend the sessions. The lessons will be mainly language based but will also offer the opportunity to experience Chinese traditional songs, Chinese crafts and will give students the opportunity to learn about the culture of China.

There are limited spaces available and I sincerely hope that your child will be able to commit to this exciting learning opportunity. If we have more students who wish to take part than place available, we will select students randomly but will then aim to offer the same chance to study Mandarin again later on in the year.

If you would like your child to take part then please complete the form below and return it to me by **Thursday 3 February 2022**.

If you require any further information or have any questions, please do not hesitate to contact me by email at imercer@st-martins.essex.sch.uk.

Yours sincerely

Mrs I Mercer
Teacher of Modern Foreign Languages
