## Headteacher's Comment

Good afternoon, this week we had our lower school production of Legally Blonde running two nights with additional performances to over 500 primary school children from the local area. The cast and crew put on outstanding performances throughout and I was blown away by our amazingly talented students that took part. Massive congratulations to everyone who has worked very hard behind the scenes and we will look forward to hearing all about the show in next week's News and Views.

This week's News and Views we have a Headteacher's gallery special of all the students that I have had the pleasure of meeting recently to discuss their individual successes and achievements. A huge well done to all of them as they now join the Headteacher's Gallery. We also share news of the first St Martin's Lemon Fair which took place this week in the beautiful sunshine and was a huge success with staff and students. Have a great weekend!

## St Martin's Lemon Fair

On Monday 13 June, the Modern Foreign Languages Department hosted the 'St Martin's Lemon Fair'. In Menton, a town near to Monaco, they host a yearly *Fête du Citron* which attracts over 200,000 people to the French south coast. For 15 days, visitors can enjoy lemon-inspired parades, citrus exhibitions and musical offerings at this truly unique event. We wanted to bring the French Riviera to Hutton, widening our students' cultural understanding of France in the process.

At our Lemon Fair, students played a number of traditional fairground games with a lemony twist, including lemon and spoon racing, guess the number of sherbets in a jar, tin can alley and lemon fishing among others. Our stalls were full for the entirety of lunchtime and everybody we spoke to really enjoyed the event and it was great to see student involvement from Year 7 all the way up to Year 12. An enormous *merci* to everyone who came to take part in our activities, as well as the many Year 12 volunteers that helped run the event. Planning has already started to make next year's event even bigger and better!
