St Martin School's Expedition to Tanzania 2026

Dear Pupils and Parents/Carers,

St Martin's School pupils have been offered the opportunity to take part in something amazing – a **21-day school expedition to Tanzania in 2026** with Outlook Expeditions, the leading independent provider of youth development programmes in the United Kingdom.

Expeditions are so much more than a school trip. They develop character, build resilience and improve wellbeing – the tools required to be a leader and tackle life's challenges effectively. Taking part in this inspirational, immersive learning experience – outside the classroom – also enables pupils to accelerate development of core skills.

The expedition costs £4,995 and is protected by ATOL (6697) and can be paid via scheduled payment plans. As part of the programme, we support pupils through [Pay Your Way](#) which provides guidance, resources and support to help participants earn the cost of their expedition through creative enterprise activity.

I missed the Info Parent's Evening! Where can I find more information?
