Dear Parents and Carers

Re: Royal Institute Community Show

St Martin's have been lucky enough to secure a visit from the Royal Institution of Science, they are going to be performing a community show for our local community after school on the 18 July. We are therefore offering parents of St Martin's pupils to come along and bring younger family members with them too.

The show will involve lots of flames, bangs and will show pupils the wonder of Science.

The event is from 15:45 to 16:45 and it is free to attend. If you would like to attend, please fill out this online form, specifying how many spaces you would like us to reserve for you: <https://forms.office.com/e/JEmTqsgntf>

Spaces are limited and will be allocated on a first come, first served basis. Please ensure that you enter your email address carefully, as this will be how we inform you if you have been successful or not.

If you have any further queries, please do not hesitate to contact me at the school: FEverest@st-martins.essex.sch.uk

Yours sincerely

Francesca Everest
Event Leader
