10 October 2024

Dear Parents and Carers

Re: Year 9 NHS STEM Careers Talk, 25 November 2024

I would like to offer your child the opportunity to take part in a 1-hour workshop we are hosting at St Martin's. The workshop will be delivered by the NHS. Pupils will be given the opportunity to explore a wide number of STEM careers within the NHS. The careers talk will allow pupils to recognise how many options there are within the NHS, including engineering, computing and science research roles, that they may not previously have considered.

The workshop is designed to break the stereotype of traditional thinking that may only consider the roles of doctors and nurses within the NHS. The workshop will enable pupils who interested in those roles, to learn more about the requirements to enter these professions.

This opportunity is free for pupils to participate in. If your child would like to participate them please complete the Microsoft Form using this link:
<https://forms.office.com/e/HeAeDCe19h>

Please complete this form by Friday 18 October 2024.

We intend to provide a workshop for every pupil who expresses an interest in attending. However, if we are oversubscribed, places will be allocated using an electronic ballot and seek to have the NHS return into St Martin's where unsuccessful pupils are given an opportunity to complete this workshop at a later date.

A letter will be sent to confirm your child's place and they will be told which of the four sessions they will be required to attend.

If you have any further queries, please do not hesitate to contact me via email:
afrappell@st-martins.essex.sch.uk

Yours sincerely

Mrs A Frappell
