Dear Parents and Carers

Re: Year 11 Diagnostic Tests - Amendment

Due to the COVID-19 vaccination programme we have had to re-schedule all examinations due to take place on Monday 11 October 2021. These will now take place on Friday 15 October 2021. Your son or daughter's updated individual timetable is available to view on Insight.

Please find below the link with instructions on how to download and install the Insight App for mobile phones.

Students should access Insight using the same username and password used to login to the school computers. It is important that students use their own personal login, as when the results are released, parents and carers will not have access to results directly. Results are delivered to students only in line with the JCQ regulations.

If you require any further information please see the examinations section of the school website or alternatively you can contact me on 01277 238350 or cadams@st-martins.essex.sch.uk.

Yours sincerely
