Dear Parents and Carers

Re: Year 10 Autumn Term Curriculum Plans

We have had a hugely successful start to the term, students have settled back into the rhythm of school life exceptionally well and are working hard in their core and option subjects.

As your child continues to move through the school, we will continue to share our curriculum intentions each term and these are now attached. These two documents detail all our learning intentions for the Autumn Term. We have also included the exam board we follow for each subject, which you may find helpful. This initiative will hopefully support you in understanding what the students are learning in Year 10.

May I take this opportunity to thank you for your continued support and wish you all a productive and enjoyable term.

Yours sincerely
