Dear Parents and Carers

Re: Year 10 September Maths Exam

I am writing to let you know that your son or daughter will be sitting a maths exam consisting of one non-calculator paper week beginning 20 September. Classes Cos, Line, Loci, and Area will sit a Higher paper; classes Acute, Obtuse, Array, and Base will have a mix of both Higher and Foundation questions; classes Reflex, Angle, Curve, and Metric will sit a Foundation paper. These will be used to inform tier changes later in the term.

Should you require any further information or have any questions, please do not hesitate to contact me.

Yours sincerely

Miss O Wright
Deputy Head of Mathematics
