Dear Parents and Carers

Re: A-level Fine Art and Photography Coursework Catch Up Sessions

I am writing regarding A-level Fine Art and Photography Easter catch up sessions that are available for your child to attend.

As you are aware, students have been working on their Fine Art and Photography coursework which will formulate 100% of their final A-level grade this year. The deadline for submission is Friday 29 April. In order to give students an opportunity to catch-up on, improve and develop their work, we are offering two coursework days during the Easter holiday and also a late-night session after school next week. Attendance to these sessions is strongly recommended to maximise students' full potential and enhance their grade. Students will have full access to art rooms and the photography suite, specialist materials and invaluable guidance from their teachers.

The sessions will take place on the following dates:

- Thursday 31 March, 3.15-7pm
- Saturday 2 April, 10am-2pm
- Tuesday 5 April, 10am-2pm

Students will need to bring their own snacks or drinks to the sessions as there will not be any school catering available during these days.

Please return the reply slip below to confirm your child's attendance to any or all of these sessions.

After the coursework submission deadline on Friday 29 April, students are no longer required to attend their Art/Photography lessons because the course is completed. From Tuesday 3 May until Leavers Day, Art and Photography lessons will be removed from their timetable and will be replaced with independent study periods. This is an ideal opportunity for students to complete extra revision for their other subjects.

Please do not hesitate to contact me by email hlee@st-martins.essex.sch.uk if you would like to discuss this further.

Yours sincerely
