

21 April 2022

Dear Parents and Carers

**Re: Year 7 PPE Content and Revision Advice**

To help support our year 7 students in their upcoming PPE examinations in science, the topics included on their exams are listed below.

7A Cells  
7C The Body  
7G Particles  
7E Mixtures  
7B Reproduction  
7D Ecosystems  
7I Energy  
7J Electricity

All students will sit one paper which will be one hour long and will contain all the topics listed.

Students will be given revision resources within lessons.

You may also wish to guide them towards the school i:drive (PORTICO) where students can access science resources such as the checklists, practice questions and revision packs (i:drive → Science → KS3 Year 7/8 → Year 7 PPE 2022). Useful websites students could use are:

<https://www.bbc.co.uk/bitesize/levels/z4kw2hv>

<https://app.senecalearning.com/classroom/course/419c7523-d408-4bc7-9b96-f7f12abdacae>

<https://www.educationquizzes.com/ks3/science/>

If you have any questions as to what your child can do to further revise please contact the class teacher who will be able to give precise details. If you have any other questions then do not hesitate to contact me at [jbox@st-martins.essex.sch.uk](mailto:jbox@st-martins.essex.sch.uk).

Yours sincerely

Miss J Box  
**Deputy Head of Science (Head of KS3)**
