Dear Parents and Carers

Last week I had the pleasure of leading year group assemblies with Mr Lelliott, Deputy Headteacher and we both used this as an opportunity to welcome our students back for this academic year and talk them through the St Martin's Behaviour for Learning and Teaching and Learning visions for 2023-24.

Students were introduced to St Martin's three core values: Be Kind. Be Safe. Be Responsible. We expect all members of the community to uphold these values and so far this year there have been many examples where pupils are demonstrating these values each day. Pupil kindness and responsibility has been celebrated across the school setting by staff who have issued many positive points on Satchel One for individual students. **Please remember to download the free app [here](#) so that you can track your child's behaviour data.**

We also shared examples with the students of consequences if they fall short of these expectations, as well as the importance of daily attendance at school, so that they are onsite and present to access their learning. If your child is feeling unwell, please do use this NHS website [link](#) to advise you as to whether your child should still attend school.

I have attached a copy of the assembly slides for you to look at and discuss with your child at home.

Thank you for your continued support.

Yours sincerely

Mrs G Tatman
Deputy Headteacher (DSL)
