

3 March 2023

Dear Parents and Carers

Re: Enterprise Day – Monday 6 March, Tuesday 7 March and Wednesday 8 March 2023

As part of the careers provision for students in Year 9, I am pleased to announce that Enterprise Day will take place again this year on the dates above.

All Year 9 students will take part in a number of business challenges, which will develop their team working, communication, decision making and negotiation skills. This fantastic opportunity is designed to introduce students to the world of work and to help improve their knowledge and understanding of working environments. These employability skills are a crucial part of a student's education and this opportunity will help to make students aware of what they need to be successful in the future.

Each form group will take part in Enterprise Day on a specific day and for **ONE** day only. Lessons will continue as normal on the other days. Please see the timetable below to see when your child has their Enterprise Day:

- Monday 6 March: B2, H2 and H3.
- Tuesday 7 March: Q3, R2 and R3.
- Wednesday 8 March: R1, Q1 and H1.
- Students in B3 will be split across the 3 days and will be informed of their chosen day during form time this week.

Please note that students **must** attend in correct school uniform.

The days will be delivered by Young Enterprise, a non-profit organisation with a great deal of experience and success in running events like this, including our previous years' Enterprise Days.

If you have any questions, please do not hesitate to contact me by email at awilliams@st-martins.essex.sch.uk.

Yours sincerely

Mr A Williams
