

The Digital Divide

You are to write a report explaining in detail the following:

What is the digital divide?

What causes the digital divide? This must include at least 3 different causes.

Provide an example of a local initiative that is taking place to help bridge the gap.

- Evaluate what you think of the initiative
 - Is it good?
 - Will it have a lasting effect yes or no and why do you think that?

Provide an example of a global initiative that is taking place to help bridge the gap.

- Evaluate what you think of the initiative
 - Is it good?
 - Will it have a lasting effect yes or no and why do you think that?

You must use appropriate headings.

The local and global initiatives should be recent (no more than 2 years old)

Your document must be presented in a professional way.

You must create a separate document, a bibliography, where you keep a note of any websites you visited and the date you visited them, whether this is for information or to obtain an image.

This piece of work needs to be worked on during the summer and handed in on the first lesson back.
