Dear Parents and Carers

Re: Invitation to 'Get Active Go Green' Community Planting Initiative – Join Us Again

Following the success of last year's **"Get Active Go Green"** planting initiative, we are delighted to invite members of the St Martin's School community to join us once again as we continue to build on the momentum from our previous event.

It was wonderful to see so many members of our school community come together last year, and we would love to build on that positive experience by continuing to develop our green spaces. As part of this year's initiative, we will also be **tidying and maintaining the areas that were previously planted**, helping them continue to grow and thrive.

We are also excited to **share our new outdoor seating area with you**, which has been developed for pupils to use during social times. We are hoping to create **additional seating areas around the school** in the future to further support pupils' **social interaction and communication skills**, and this initiative will help us continue working towards that goal.

We are therefore inviting **parent and carer volunteers to join their children and family members for a two-hour planting and tidy-up session**. This will be a relaxed and enjoyable opportunity to spend time outdoors, work together, and further support our school environment.

The proposed session options are:

- **Wednesday 15 April** – 15:15 to 17:15
- **Thursday 16 April** – 15:15 to 17:15
- **Friday 17 April** – 15:15 to 17:15
- **Saturday 18 April** – 09:00 to 11:00

To help us plan effectively, please use the **link below to select the two dates that would be most convenient for you**. The **most popular session** will then be confirmed and communicated to those who have expressed interest via email.

As before, we are hoping for **lots of fun, laughter, and community spirit**, and tea and coffee will be available for our volunteers during the session.

If you are able to attend, we would also warmly welcome **donations of plants, bulbs, or even a cake to share with our volunteers.**

Thank you for your continued support of our school community. We look forward to building on last year's success together.

Yours sincerely
