

MCAS PARENT GUIDE

DOWNLOADING & SETTING UP THE MCAS APP

Stay connected to your child's school, anytime, anywhere.

1 DOWNLOAD THE APP

- Open the invitation email from your school or visit www.mychildatschool.com.
- Select the MCAS Parent App link.
- Choose either:

2 INSTALL THE APP

- Tap Install.
- When installation is complete, tap Open.

3 ENABLE NOTIFICATIONS

Please be aware users will need to **enable notifications** on mobile phones when they install the app to get notifications for important messages from their school.

4 SIGN IN

- Enter your Email Address.
- Enter your Password.
- Tap Add to connect your account.

5 CREATE YOUR PIN

- From here you will be asked to set your 5 digit PIN.
- Enter your PIN and tick to confirm.

6 EXPLORE THE DASHBOARD

When you're in, you'll see the MCAS dashboard with everything you need:

- Weekly calendar with attendance information by day
- Access to modules (e.g., Behaviour, Homework)
- Student account dropdown to switch to another student
- Settings button for account settings, privacy & security, financial options and school contact information

QUICK ACCESS FEATURES

The banner along the bottom of the app contains the following further options:
