

## WHO'S WHO?-POLITICS

**Task-** Below is a list of key people associated with contemporary politics. These are all people who can be used as examples on all Politics Papers.

**Your task-** Briefly summarise the person's role, influence and example of an issue they dealt with or any controversies. Do this in your own words as this is how you will remember it for the exam.

**Eg. Robin Cook-[1946-2005] Former Foreign Secretary [1997-2001] who resigned from the Blair's government citing Collective Responsibility. He felt unable to support government on the War in Iraq.**
