

21 April 2023

Dear Parents and Carers

Please be advised that your child's report is now available to view on the St Martin's website.

Select Insight reports from the parent's menu, which will then take you to the Insight login where you can view the report.

This is the final of three reports during this academic year, detailing your child's progress at Key Stage 5. The progress report informs you of the projected grade, and attitude to learning.

The projected grades are based upon grades they have achieved for coursework or practical components, and performance in classwork and homework. The grades are a reliable measure of what your child could achieve in their final A-level examinations based on their overall current attainment.

I hope this report will provide material for discussion between you and your child, and their classroom teachers.

If you have any queries regarding your child's progress, please contact their Head of Year, Mrs J Page at [jpage@st-martins.essex.sch.uk](mailto:jpage@st-martins.essex.sch.uk)

Yours sincerely

Mr J Peacock  
**Assistant Headteacher**
