

Fine Art Summer Work

Art Students: 'Document your summer in a sketchbook'

Over the summer you should **produce 4-5 A4 size pieces of artwork, or produce a 'tiny' sketchbook (A5/A6/A7 size)** that documents **your journey over the summer** through **sketching/photography/scrapbooking/mixed media**. You should also aim to **visit at least one Art gallery or exhibition**. Document your gallery visit through ticket stubs, postcards, notes about the artists you see and any photographs you take during your visit.
