Dear Students

Please find a link to a survey below.

The aim of the survey is to review how successful the implementation of "language for learning" has been at St Martin's School.

You will be answering this survey in lessons so there is no need to complete this in your own time – but you can if you wish.

If you do complete the survey in a lesson, you must answer it honestly and seriously. You may be asked to follow up on your responses by a teacher so read the questions carefully.
