Dear Parent and Carers

Re: Cyber Discovery

I would like to offer your son or daughter the opportunity to take part in Cyber Discovery at St Martins School, taking place on Wednesday 26 September at 13:30 in the IT Room L101.

Cyber Discovery, HM Government's Cyber Schools Programme, is an extracurricular learning programme for students aged 14-18 across England and Scotland. Its goal is to ensure that many more people enter the cyber security profession in the coming years.

Over the afternoon students will take part in a number of activities organised by Cyber Discovery to help them in their studies. We will be finishing at 15:15, when students will depart. Students will be expected to behave responsibly, in-line with the St Martin's behaviour policy.

There is no cost for the event, but students must bring a packed lunch. The group will be led by me, James Spencer. If you are interested in your son or daughter participating, please fill in the attached consent form and return to the Finance Office by 24 September 2018.

If you have any further queries, please do not hesitate to contact me at school via email jspencer@st-martins.essex.sch.uk

Yours sincerely

James Spencer
Teacher of IT
