Dear Parents and Carers

Re: Purchase of revision guides and workbooks for GCSE Business

The Business and Economics Department will shortly be placing an order with Pearson (Edexcel's publisher) for revision guides and workbooks for GCSE Business subjects. The books include the units to be examined by our Business Studies and Business & Economics students in summer 2018, and our previous year groups have found them to be a useful part of the learning and revision process. Each book is priced at £2.50 (usually £5.99 retail). If you would like to purchase one or both of these books, please complete the attached form and return to the Finance Office by Friday 16 November. Full payment should also be made at this time via ParentPay.

Yours sincerely

Mr T Wilkinson
Head of Business Studies and Economics
