Dear Parents and Carers

Re: A Level Revision Guides – Business Studies and Economics

The Business Department will shortly be placing an order with CGP for student revision guides for A-Level Business Studies and A-Level Economics. The books include content to be examined in Summer 2019 and onwards, and our previous year groups have found the books to be a useful part of the learning and revision process. These books also contain example questions and worked responses, which can also help students to prepare for their Pre-Public Examinations in both Year 12 and Year 13.

Each book is priced at £9, a reduction from the rrp of £19.99. If you would like to purchase one or both guides, depending on subjects being studied, please complete the attached form and return to the Finance Office by Friday 16 November 2018. Full payment should also be made at this time via ParentPay.

Yours sincerely

Mr T Wilkinson
Head of Business Studies and Economics
