

6 November 2018

Dear Parents and Carers

**Re: Outlook Expedition to Madagascar Summer 2020**

St Martin's School students have been offered the opportunity to take part in something amazing – a school expedition to **Madagascar** in **2020** with Outlook Expeditions; the leading independent provider of youth expeditions.

Taking part in an expedition is so much more than a school trip. This is a journey that will stay with your son or daughter forever. Eye-opening, challenging and truly life changing; participants experience different cultures and environments whilst developing an array of life skills.

Universities and employers are increasingly looking for evidence of personal and social skills. Expeditions take young people out of their comfort zone and expand horizons whilst boosting independence, confidence, teamwork and many other qualities that have a lasting impact on the lives (and CV's) of each participant.

Outlook Expeditions will be holding an Information Evening on **Tuesday 13 November 2018 at 6:30pm** and we would be delighted if you and your son or daughter could join us. It will be held at **St Martin's School in the South Hall** and is your chance to find out more and ask any questions. The evening is for your information, to help students and parents decide if joining the expedition is right for them. There is no obligation at all associated with attending the Information Evening.

To register your attendance, or if you are unable to attend but still wish to receive the information, please visit [www.outlookexpeditions.com](http://www.outlookexpeditions.com) and click on the 'Parents and Students' bubble.

Yours sincerely

Mr G Smith  
**Expedition Leader**
