Dear Parents and Carers

Re: Additional English lessons

As you will be aware, your son or daughter has been undertaking independent study under the supervision of a member of staff during one or some of their timetabled "PX/PE" lessons. With effect from 12 November 2018, one of these study sessions per fortnight will be used for an additional English lesson. These sessions will be used to improve exam skills and techniques, consolidate knowledge of texts and subject terminology and provide extra opportunities for exam practice under the guidance of an English teacher.

By offering these additional lessons, which will be taught in smaller groups, we hope to maximise your son or daughter's chances of success in their English GCSE examinations. You will receive further correspondence by post within the next few days informing you of the day and time of your child's lesson.

Your support in this is greatly appreciated.
