Dear Parent or Carer

Re: Year 10 audience for Year 11 GCSE Drama Component 1 devised performances

To support their devising practice and exposure to drama techniques, our Year 10 GCSE classes will be the audience for our Year 11 GCSE practical exams taking place next week. They will be watching four devised performances based on the topic, Political Theatre.

The Year 11 students have been rehearsing for a term in preparation and will be performing to an extremely high standard. This will be a great opportunity for your son or daughter to see first-hand the standard of performance that is expected at GCSE level, as well as giving them creative ideas for their own practical work this year.

Your son or daughter will be a member of the audience on one of the following days:

Monday 19 November - Periods 1 and 2 for those in Mrs Wilkinson's class

Tuesday 20 November - Periods 1 and 2 for those in Mrs Page's class

Students will be reminded of this in lesson time, but I would be grateful if you could reiterate this information to them.

If you have any questions regarding this, please do not hesitate to contact me via my email address lwilkinson@st-martins.essex.sch.uk

Yours sincerely

Mrs L Wilkinson
Head of Drama
