Dear Parents and Carers

**Re: The Big Bang Fair - UK Young Scientists and Engineers Fair**

I would like to offer your son or daughter the opportunity to attend the "Big Bang Fair".

The trip will run on one day between **Wednesday 13 and Friday 15 March 2019** and the cost will be approximately £20. The price covers travel to and from NEC, Birmingham by coach. The event is free of charge.

This is an amazing event with many interactive stands for students to experience. Some of the top science and engineering companies such as Shell, Siemens and GSK will be in attendance. The fair has been designed to be of interest to ages ranging from 11-18. More detail about the fair can be found on their website <http://www.thebigbangfair.co.uk>. Your son or daughter has been specifically invited as they have been identified as being in our group of "Most Able" students in the school.

Registration for the tickets opens in October with competition for tickets fierce. I therefore only require you to confirm your interest by returning the slip below. This will allow me to secure the appropriate number of ticket when registration opens.

Please return the slip by Friday 5 October 2018.

If you have any further queries, please do not hesitate to contact me at the school on 01277 238300 or [jpeacock@st-martins.essex.sch.uk](mailto:jpeacock@st-martins.essex.sch.uk).

Yours sincerely

Mr Peacock  
**Assistant Headteacher**

.....  
**I confirm my interest in attending the "Big Bang Trip"**
