Dear Parent or Carer

***Re: Enrichment Lesson - Food Preparation and Nutrition class***

An opportunity has arisen for selected Year 9 students to be able to see how game is plucked and cleaned, ready for cooking in restaurants. We are lucky to have Mr Alan Pitchers, a member of our site staff who is experienced with game preparation. As part of the food syllabus next year students are expected to extend their key skills and knowledge of all types of butchery, so this is a chance for them to learn from an expert in the field.

Attendance is purely voluntary, and we are hoping to run the session on Wednesday 6 December 2018 from 3.30pm to 4.30pm, dependent on the game shoot the previous weekend.

Please reply with your interest for your son or daughter's attendance by Friday 30 November, I will then confirm to them that the session will run on the proposed date.

Yours sincerely

Mrs S Moodley
