

The parents evening page

Users will see a list of the staff they can make bookings with on the right side of the page. The left side of the page shows the bookings that the user has already made. Users can make bookings with staff by clicking on the time slot that they would like to book. Only available slots will be shown, and they are always allocated on a first-come first-serve basis. If a parent already has a booking with a member of staff, a tick will appear next to that staff member's name.

A download button appears at the top right of the page. This can be used to download the list of bookings for the user. If a supporting document has also been added for the evening, then this will be available by clicking the Download button.
