Dear Parent or Carer

Re: Exam Access Arrangements Testing

Further to information received from primary education or following internal monitoring of progress, it has been identified that your son or daughter may be eligible for exam dispensation for assessments. In order to determine this, he or she will need to complete a short group test as well as individual testing carried out in school by an external approved assessor.

These tests are arranged by our Learning Support and Exams Departments and will take place on either Friday 5 October, Friday 19 October or Tuesday 27 November. Following testing you will be notified as to whether your son or daughter is eligible for dispensation.

We will remind your son or daughter of the designated time for the tests via his or her form tutor.

If you require further information, please contact our Learning Support team on 01277 238359.

Yours sincerely
