Dear Parents and Carers

Re: GCSE Geography PPE re-sit

I am writing to highlight our concern regarding your son or daughter's grade in their recent GCSE Geography PPE examination. Due to your son or daughter achieving a grade well below their target grade and potential, they will be required to sit a compulsory re-sit of their PPE. The re-sit will be held on Wednesday 13 or Thursday 14 February from 3:20 - 4:20 in room N016. Please inform me which session your son or daughter will be attending. If there is any reason they cannot attend, please get in touch with me as soon as possible so we can make alternative provision. abaker1@st-martins.essex.sch.uk

It is essential that your son or daughter now prepares thoroughly for their summer examinations in Geography by revising and practising exam questions. The Geography department will be continuing a weekly drop in revision clinic each Monday 3:20 – 4:30 whereby students will be able to practise questions and obtain guidance on areas of the course they may be struggling with. This will also be held in room N016.

Furthermore, students can access a wide variety of revision resources for Geography through the school's portico (i-drive) system.

Thank you for your support in helping your son or daughter prepare for his or her Geography examinations.

Yours sincerely

Miss Baker
Head of Geography
