Dear Parents and Carers

Re: Art coursework catch up sessions

We are aware that some students are currently quite far behind with their coursework in art. Therefore, to support students further, on Monday 17 and Tuesday 18 December we would like to offer two full day catch up sessions where Mrs Ashby will be available for students to attend art all day in the normal school hours.

This is during the PPE period, so if your child has an exam on either day, they are free to attend after or before their exams. The sessions are not compulsory, but we strongly recommend taking advantage of this opportunity if they are behind in their coursework submission, as another similar opportunity will not be offered again.

Yours sincerely

Mr S Smith
Director of KS4
