Dear Parents and Carers

Re: Girls GCSE PE Revision Session

I am writing to you regarding the GCSE PE theory examinations that take place in May and the extra revision sessions that are available to help prepare for these examinations.

We now have confirmation that the practical moderation day is Friday 3 May and will take place at St Martin's School. Further details will be issued to all students once we have further information from the moderator. Can I take this opportunity to remind all students of the importance of continuing to maintain both their fitness levels and skill levels across their three sports.

As students are aware from their examination timetable, the first written examination is Wednesday 15 May (physical factors affecting performance) and the second written examination is Friday 17 May (socio-cultural issues and sports psychology).

In addition to the lunchtime and after school revision sessions which have been available for students to attend, I am also offering a further revision session during the Easter break. This will take place on Tuesday 9 April from 10.30am until 1.00pm in VI.002. Please note that all students must sign in at reception in the south building before going to the classroom.

Students will not need to be dressed in school uniform but will need to bring their stationery equipment and writing paper with them. I would also advise that they bring some food and water, as there will be no canteen facilities available.

I'd also like to take this opportunity to wish your child the best of luck in their forthcoming examinations, I hope all their hard work is rewarded and they achieve the success they deserve. If you have any further questions, please do not hesitate to contact me.

Yours sincerely

Miss H Jackson
Director of KS5
