Dear Parents and Carers

Re: Year 11 GCSE English Literature Book Return

Please would you remind your son or daughter to bring his or her copies of "An Inspector Calls", "Merchant of Venice" and "The Sign of Four" into school on the morning of the English literature examination on 23 May. Arrangements have been made to collect these from students before they enter the examination that morning. Tables will be set up outside North hall and the girls' gym where staff will be on hand to record who has returned their books.

Students should not attempt to return any English literature books before this date.

Thank you.

Yours sincerely

Mr T Dearmer
Head of English
