

3 May 2019

Dear Parents and Carers

Please find enclosed information regarding the next talks for Online Safety, Grooming and Exploitation delivered by the 'Two Johns'.

John Woodley and John Staines were in the police force for many years' working on covert operations and their insight and advice into how you can best support and safeguard your children is invaluable.

Although both parent/teacher sessions described will be held at St Martin's School, places must be booked for the talks, as parents from all Brentwood schools have been invited and they are usually very well attended, therefore space is at a premium.

To reserve your ticket for either talk on 14 May, please use the link for the online booking system on the enclosed letter.

Kind regards

Mrs G Wilson
SEAL Co-ordinator
