Dear Parents and Carers

RE: Lower School Production DVD

We hoped you enjoyed the lower school production of 'The Little Mermaid' and agree with us, that it was a huge success. I would like to personally thank you again for your support with the rehearsals and appreciate the amount of work that went into it.

On the nights of the show, the performances were filmed using our professional camera. These will be edited and transferred onto DVD by CVS International. On the DVD will be Tuesday's or Wednesday's performance plus a photo gallery taken by our professional photographer.

If you would like to order a copy of the DVD then please fill in the slip below and hand in cash or a cheque for £10 made payable to St Martin's School, to the finance office by Monday 1 July 2019.

Once the DVDs have been edited I will distribute them to those that have paid.

Yours sincerely

Miss L Barnes
Teacher of Drama and Director
