

7 June 2019

Dear Parents and Carers

Your son/daughter has now done their GCSE paper 1 and paper 2 in mathematics. Paper 3 follows on Tuesday 11 June.

After paper 1, I arranged for every student to be issued with a paper copy of practice questions for paper 2. However, due to too short a time period between paper 2 and 3 I am unable to do this again.

Therefore, please find the following attachments:

- Corbett maths practice for higher
- Corbett maths practice for foundation
- Just maths practice for higher/foundation
- Just maths practice for higher only

Answers can be found at:-

A further paper will be available on maths genie at some point today or tomorrow:

I hope your son or daughter finds these resources useful.

Yours sincerely
