Dear Parents and Carers

Re: A-Level Physics Live

I would like to offer your son or daughter the opportunity to take part in the A-level Physics Live Trip. The date of this visit is Tuesday 3 December 2019 from 10:15am until 3:30pm.

Students will be attending The Savoy Theatre and will take part in a number of talks as part of the trip to help in their studies. Students will also attend a 'Help improve your Science A-level results' session with a specialist Physics examiner. The day, along with the literature provided, will also be of real benefit for those students thinking about choosing these subjects at university. The itinerary includes the following talks:

Prof Jim Al-Khalili	Quantum Biology
Prof Frank Close	An introduction to Nuclear Physics
Prof Danielle George	On Electronics
Prof Lord Martin Rees	
Dr Jessica Wade	Plastic Electronics.

The trip will cost £26 per student. Students will be responsible for making their own travel arrangements to and from The Savoy Theatre and will be expected to meet and register with their accompanying teachers at 10:15am outside the Theatre. The group will be led by Miss Box and accompanied by Mr Smith. Places on the trip will be randomly allocated by computer to ensure fairness. You do not need to enclose a deposit at this stage and if your son or daughter is successful in gaining a place you will be informed when the full payment is required. It is important to note that should the payment deadline be missed your son/daughter's place on the trip may be in jeopardy. Unsuccessful students will be placed on a waiting list.

If you are interested in your son/daughter participating, please fill in the attached consent form with full medical information and dietary requirements included and return to the finance office by Wednesday 2 October 2019.

If you have any further queries, please do not hesitate to contact me on jbox@st-martins.essex.sch.uk

Yours sincerely

Miss J Box
Deputy Head of Science
